# MINUTES

The last meeting of the school year 1954-1955 was held May 19, 1955 in the Seminar room of the library. The meeting was opened by a prayer led by Paul Magee. The new officers elect were introduced to the council. They are ; President---Winfred Wright, Vice-president--Jay Byrley, Secretary-treasure---Nina Harvey. Business discussed was as follows:

1. Sponsor-ship was explained to the new officers in which they were told that each council could choose any faculty member to be their council sponsor.

2. Honor Recognition Day was again discussed and the program as planed was presented to the council by Dick Richardson. It is to be held May 29, in the large auditorium.

3. Good citizenship was discussed by the council and such problems as the following were presented to the council for discussion:

Line-cutting                      Line-cutting has continued to increase this year. The council wishes that its members would be an example for the other students and not cut line.

Taking Books from the Library with-out checking them out.      Mrs. Glass said many books were missing from the Library. She said if this didn't stop they would have to close the stacks.

Throwing things in the fish pond--      Bro. Groom said that cleaning the fish pond seemed to do little good if the students didn't stop throwing things in the pond. We are requested to try to keep the pond clean and try to persuade others not to throw things in the pond.

Poor citizenship in general---      We are to encourage better citizenship in school. If Harding is to continue to grow then we must all act as one big family and cooperate. We should encourage the students to obey the rules and also to refrain from so much griping.

Bro. Pitner expressed his appreciation for being selected our sponsor and also for our co-operation in helping to promote good citizenship and good-will among the students. He also expressed the faculties appreciation for our co-operation with them. He congratulated the officers for their good work and for their leadership this year.

Pres. Paul Magee expressed his thanks to Bro. Pitner, the council officers, and to the council in general for helping him in his fulfillment of his office.

The meeting closed with a prayer led by Tommy Parish.

Respectfully submitted
